

Visual Feedback for Beginners

Alisdair Tullo

Everyone starts off boring!

<https://github.com/alisdt/python-intro>

Notebooks are great: <https://jupyter.org/>

Turtles are better:

<https://softdev.ppls.ed.ac.uk/turtles/>

Processing is also good: <https://p5js.org/>

https://softdev.ppls.ed.ac.uk/talks/visual_feedback_2024.html

NOTES
